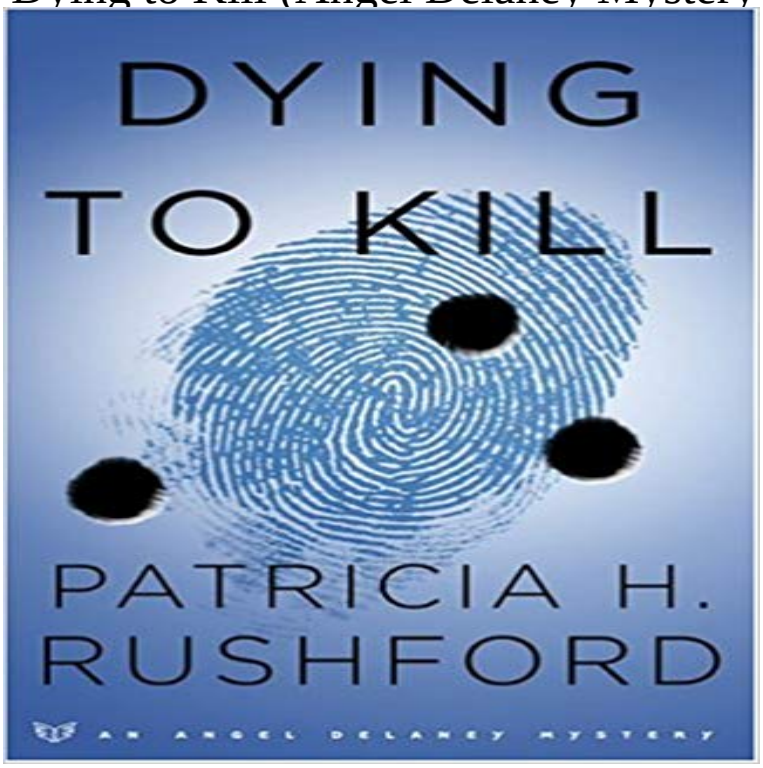
Dying to Kill (Angel Delaney Mystery Series #2)



Even though Angel Delaney is on leave from the police force, she finds herself playing detective in the middle of a multiple murder investigation. Shunning the advice of local law enforcement and her almost-boyfriend, Callen, Angel becomes a private eye and exposes secrets and suspects. As she tries to guess who the next victim might be, another man is killed, with all the evidence pointing to Angels close friend. When both the new suspect and Callen disappear, Angel must find a way to solve this mystery before its too late. Dying to Kill weaves a delicious web of suspense, thrill, and intrigue-a mystery that will leave readers coming back for more.
