

Bones and Silence (CH) (Charnwood Library)

The time has come for full recognition of Hills superlative novels. Today Detective-Superintendent Andy Dalziel has witnessed a murder - but it was through a glass and he was being sick at the time - was he mistaken? He has other irritations to contend with, including a woman threatening suicide - who is she? Peter Pascoe walks into all this on his return from a long convalescence. He must divert Dalziel's obsessional pursuit of a probably innocent man and make up for his scornful neglect of a suicidal woman. ...the best pair of working coppers in the business. The Observer
