

Rekindled (Fountain Creek Chronicles, Book One)

Fountain Creek Chronicles, Book One. At a different time, in a different place, under different circumstances...could two people fall in love again? Ten years ago Kathryn Jennings made a vow. For better or worse. And that promise still holds true, even though her marriage has not turned out as she expected. When her husband fails to return home one stormy winter night, she struggles to keep their ranch, but her efforts are blocked at every turn. After a shocking glimpse into her husband's past, Kathryn uncovers a hidden truth. What she wouldn't give to turn back time and be able to love her husband for the man that he was, not for the man she always wanted him to be. Larson Jennings has spent his entire life running from a broken past, unable to trust, reluctant to try again. One fateful night, his life takes an unexpected twist, and soon he is forced to make a choice. Whatever he chooses, his decision may cost him his life.
