

A Beleaguered City

I, Martin Dupin (de la Clairiere), had the honour of holding the office of Maire in the town of Semur, in the Haute Bourgogne, at the time when the following events occurred. It will be perceived, therefore, that no one could have more complete knowledge of the facts at once from my official position, and from the place of eminence in the affairs of the district generally which my family has held for many generations by what citizen-like virtues and unblemished integrity I will not be vain enough to specify. Nor is it necessary; for no one who knows Semur can be ignorant of the position held by the Dupins, from father to son.
