

## Fly on the Wall

John Cotton was a simple man with one desire: to write the greatest story of his life and have enough life left to read all about it. Reporter John Cotton knows what to do when he finds a great story, but he is a little afraid when a big story begins to find him. It starts when a fellow reporter is murdered and his notebook, filled with information about a tax scam, ends up in John's hands. Not long afterwards, a body is discovered in John's car. Then John's car ends up in the river, a bomb is found in his apartment, and his girlfriend drops out of sight. It's up to John to unravel the mystery of the notebook, and why anyone would kill for the information it contains.
