

## A Late Phoenix (C. D. Sloan Mystery)

Dangerous moonlight illuminated the English skies the night a German bomb razed the house in Lamb Lane, Berebury. Then three decades quietly passed before a careless workmans pickaxe struck an old skeleton buried under the wreckage...and exhumed a new case of murder for Detective Inspector C.D. Sloan. Time had blackened out the clues. All that remained were a body...an unborn baby...and a bullet. COuld the inspectors uncanny investigative instincts now unearth a killer? Or would the delayed action affair explode and send another victim to moulder in the grave?
