

A Winter Amid the Ice and Other Thrilling Stories (Illustrated)

A Winter Amid the Ice and Other Thrilling Stories is a collection of Jules Verne sort stories including: Doctor Oxs Experiment, Master Zacharius, A Drama in the Air, A Winter Amid the Ice, Ascent of Mont Blanc. Jules Gabriel Verne was a French novelist, poet, and playwright best known for his adventure novels and his profound influence on the literary genre of science fiction. He was trained to follow in his fathers footsteps as a lawyer, but quit the profession early to write for magazines and the stage. His collaboration with the publisher Pierre-Jules Hetzel led to the creation of the Voyages Extraordinaires, a widely popular series of scrupulously researched adventure novels including A Journey to the Interior of the Earth, Twenty Thousand Leagues Under the Sea, and Around the World in Eighty Days.
