

After the Fire

Someone is dead because of Jamie. Yesterday they were alive. When we woke up yesterday and argued about how many pairs of shoes I could take, that person was alive, making coffee maybe. Scratching her arm or yawning in the mirror...Newly qualified as a firearms officer, Jamie Worth is called to a domestic disturbance. Events get out of hand, and he shoots and kills a teenaged girl who appears to have been unarmed. Already wracked with guilt, he is horrified when, with the media baying for blood, he is accused of murder. How can a cop survive in prison, when he suddenly finds himself on the wrong side of the law? And how can his wife Cath and ex-lover Anna come to terms with what has happened? From the author of THE TWILIGHT TIME, AFTER THE FIRE is a chilling glimpse of the flipside of life as a law enforcer, written in stiletto-sharp prose (The Herald) by one of the most exciting new voices in crime fiction. Praise for THE TWILIGHT TIME: Raw, real and so evocative you can almost hear the screams. if this debut is a true reflection of her talent then shes going to be huge. -- Daily Record Campbells debut is a rare example of a crime novel which, in the energy of the writing and finely observed detail, transcends genre limitations. -- The List
