

Self-Inflicted Wounds: Heartwarming Tales of Epic Humiliation

[*Read by the author -- Aisha Tyler]A hilarious audiobook about one woman's lifelong collection of wonderfully massive screwups. -- Aisha Tyler, comedian, actress, cohost of CBS The Talk, star of Archer, and creator of the top-ranked podcast Girl on Guy, serves up a spectacular collection of her failures and embarrassments, or as Aisha calls them, self-inflicted wounds. From almost setting herself on fire, to vomiting on a boy she liked, to getting drunk and sleeping through the SATs, to going into crushing debt to pay for college and then throwing away her degree to become a comedian, Aisha's life has been a series of spectacularly epic fails. And she's got the scars to prove it. Literally.
