

She Flies with Her Own Wings- The Courage To Believe: The Courage To Believe (Volume 1)

She Flies With Her Own Wings-The courage to believe This compelling true-life thriller follows one woman through the suicide death of her husband and twenty years later the suicide death of her son. Her adrenaline-laced journey of darkness strips the mask off the hidden demons of domestic violence and reveals an incredible confrontation between good and evil. Journal Entry- Pain is now a part of my daily life. The ghosts still haunt every fiber of my soul. I'm stuck in this place, on the thin line between courage and despair. Managing to hold on to all I've ever believed in, but not really believing. I wonder; where is my angel? Why won't God send me an angel? I drowned in my thoughts. God keeps my head alive. Without Him I would be filled with darkness. I seem to be surviving day to day, fighting battles inside and out. Holding on with the armor of God, but wondering is He there for me? Darkness settles in. Call out, see if anyone answers. Is there any angel to whom you can turn? Job 5:1
