

## The Killing of Anna Nicole Smith

In his first book *The Killing of Anna Nicole Smith*, retired judge Larry Seidlin unveils the truth about one of the most watched trial in television history. Based on his observations, eye witness accounts, trial transcripts and confidential files, he delivers a 3 year in-depth investigation on what really happened on February 8th 2007, the day Anna Nicole Smith passed away. . Who was responsible for the death of Anna Nicole and her son Daniel? . Why should mother and son, both with no previous health problems, meet such sudden ends? . Why was Daniels body, quickly buried in the Bahamas? . Did Howard K. Stern give both Anna Nicole and Daniel a lethal mix of toxic drugs? . Did Howard K. Stern also control the medications Anna Nicole took? The answers to these and other burning questions are provided in this new and explosive book.
