

As If Its Real: Stories By Jeff Maehre

The connected stories in *As if Its Real* explore a few precarious moments in the life of a struggling poker player from Detroit. In *Expanding* and *Myopic*, Elliot questions his role in an uncertain relationship with his troubled girlfriend, while believing the universe has mistaken him for someone else. *Action* chronicles Elliott's mother trying to step into the skin of an online poker player; and *Kicking* interrogates loneliness at its various stages, with Elliot criss-crossing the nation and Elizabeth recovering from addiction. The stories portray characters in an earnest yet guarded quest to find out what it is to be human, negotiating the boundaries between their inner worlds and the world beyond. Related stories appeared in *Backbone*, *Mountain Review* and *pitheadchapel.com*; Maehre's work has appeared in *Story*, *Cutbank*, *The Northwest Review*, and *Phoebe*.
