

Native People of Wisconsin (New Badger History)

The revised edition of Patty Loew's *Native People of Wisconsin* is now available, ISBN 9780870207488. *Native People of Wisconsin*, the fifth text in the *New Badger History* series for upper elementary and middle school students, focuses on the Indian Nations in the state: the Menominee, Ho-Chunk, Ojibwe, Oneida, Mohican Nation, Stockbridge-Munsee Band, and the Brothertown Indians. Patty Loew has followed the same structure she used in *Indian Nations of Wisconsin*, her book for general audiences, in which she provided chapters on Early History and European Arrivals, then devoted the remaining chapters to each of the Indian Nations in Wisconsin today.
