

No Laughing Matter

RICHLY AMUSING... POSITIVELY CHEERING The New York Times Bestselling author Joseph Heller, together with his best friend Speed Vogel, has created perhaps the most surprising and fascinating book of his career. In NO LAUGHING MATTER, he explores his battle and ultimate triumph over Guillain-Barre syndrome- a paralyzing disease of the nervous system. NO LAUGHING MATTER is Heller's personal odyssey- describing with candor and great humor the help of friends like Dustin Hoffman, Mario Puzo and Mel Brooks; the romance of a pretty young nurse named Valerie (generously dated by Speed in Heller's place); and especially the wonderful friendship between Heller and Vogel. NO LAUGHING MATTER is a treat, a one-of-a-kind book that will leave you cheering! The subject is not disease, but the good things in life: friendship, romance, freedom, Chinese food... A life-affirming account of friendship and courage! Kirkus Reviews TOUCHING, HILARIOUS! Chicago Sun-Times GRAND, FUNNY, HEARTWRENCHING USA Today A BOOK-OF-THE-MONTH CLUB ALTERNATE SELECTION
