

Fadeaway Girl (Emma Graham)

The beguiling young sleuth Emma Graham returns. Martha Grimes returns to her twelve-year-old heroine, Emma Graham, in this suspenseful sequel to the bestselling Belle Ruin. Emma continues her investigation into the strange disappearance of the four-month-old Slade baby from the Belle Ruin Hotel more than twenty years before. The sudden appearance in town of the baby's father, Morris Slade, makes her even more determined to learn the truth. Then a mysterious drifter named Ralph Diggs appears at the Hotel Paradise, looking for work, ingratiating himself with everyone there. Everyone, that is, except Emma. The perceptive Emma is bound once again to delight fans of the previous books Hotel Paradise, Cold Flat Junction, and Belle Ruin, and certain to win new readers with her intuition and humor.
