

Binge

For someone who made a career out of over-sharing on the internet, Tyler Oakley has a shocking number of personal mishaps and shenanigans to reveal in his first book: he experienced a legitimate rage blackout in a Cheesecake Factory; he had a fashion stand-off with the White House secret service; he crashed a car in front of his entire high school in his fast food restaurant servers uniform; he projectile vomited while bartering with a grandmother. With millions of fans clamouring for more Tyler Oakley, he delivers his best untold, hilariously side-splitting moments with trademark flair in Binge.
