

Bitter Sugar: A Lupe Solano Mystery

The dearest friend of Lupe Solanas beloved Papi, Ramon Suarez was the owner of a prosperous sugar mill back in Cuba until Castro forced him into exile. Now an unnamed Spanish source wants to purchase the confiscated property at a fraction of its true value. Suarez wants the sexy, smart, hot-tempered South Florida P.I. to find out why, but Ramons lazy, no-good nephew Alexander just wants to take the money and run. Then Alexander is found brutally slain in a sleazy Miami hotel -- his last known visitor, Tio Ramon, accused of murder. Lupes routine journey down a paper trail now turns into something darker and more twisted, entangling her in a mysterious web of spun sugar and blood that will bring bullets smashing through her window and death to her door.
