

Blossoming Silk Against the Rising Sun: U.s. and Japanese Paratroopers at War in the Pacific in World War II (Stackpole Military History) (Stackpole Military History Series)

From the attack on Pearl Harbor through Japans surrender, the Americans and Japanese conducted a total of twelve combat parachute drops in the Pacific theatre of World War II. Filling a glaring gap in the historical record of the war, Gene Eric Salecker recounts all twelve drops, highlighting the courage of paratroopers on both sides.
