

Blue Blood: A Debutante Dropout Mystery

To the dismay of her high society mother, Dallas heiress Andy Kendricks rejects the Junior League life, opting for a job as a website designer and a passel of unpedigreed pals. Now her good friend Molly OBrien is in bad trouble, accused of killing her boss at the local Jugs restaurant. Though no proper deb would set foot in such a place, Andy slips into skintight hot pants and a stuffed triple-D bra to get hired there and somehow clear Mollys name.
