

## The Replacement (Jill Lewis Mystery Trilogy #2)

Jill Lewis is a top-notch investigative reporter in Washington D.C. Her fiance, John, is an FBI agent. Neither can talk about what happens on the job. But both are dying to know. When a high-profile senator is assassinated, Jill jumps at the chance to cover the story, soon digging up evidence of political scandal, intrigue, and deception. In the midst of what could be the story of her life, Jills fiance suddenly disappears. Where has John gone? Is he still alive? What has happened to him? Jill can only guess, but she has a sneaking suspicion that his mysterious disappearance has something to do with the headline-grabbing story she is investigating. This action-packed suspense novel offers the perfect mix of politics, conspiracy, and a little bit of romance to create an intriguing page-turner that rivals Dee Hendersons best-selling OMalley series.
