

Miss Julia Delivers the Goods: A Novel

Get ready for double the trouble and twice the fun in Ann B. Ross's tenth Miss Julia adventure. If there's no rest for the weary, Miss Julia must be absolutely exhausted. She's just learned a secret—Hazel Marie is pregnant with twins and the prospective father has cleared out of town. But good things come in unexpected packages. Abbotsville finds itself the scene of a heist; and Miss Julia knows there's only one man who can solve the crime. It's J. D. Pickens, P.I., renowned investigator and Hazel Marie's wayward love. When he's summoned, one thing becomes clear: Miss Julia must help set things right between them or find herself the only one who can, quite literally, deliver the goods. Ann B. Ross consistently draws crowds at bookstores, not only to purchase her books, but also to meet her in person. Her tenth Miss Julia novel will bring the goods to her tried-and-true fans and new readers alike.
