

## Britney: Inside the Dream: The Biography

Following the astounding success of her 1998 hit single . . . Baby One More Time, Britney Spears quickly became an international pop idol. At just 27 years of age, she has racked up five number-one albums, seven top-10 singles, and seven sold-out world tours. For all of her success, however, over the past decade Britney's private life has been a difficult one. She has endured numerous failed relationships as well as a very public divorce and custody battle, all in the full glare of the international media. Drawing on exclusive interviews with those closest to her, this is an engrossing portrait of fascinating superstar.
