

Another Brownie Book

Decorated paper over boards; hardcover. The second of illustrator Palmer Cox's popular books about the mischievous brownies. Over 200 line illustrations in sketch style. These range from textural cuts up to full page illustrations. Palmer Cox (April 28, 1840 - July 24, 1924) was a Canadian illustrator and author, best known for *The Brownies*, his series of humorous verse books and comic strips about the mischievous but kindhearted fairy-like sprites. Due to the popularity of Cox's *Brownies*, one of the first popular handheld cameras was named after them, the Eastman Kodak Brownie camera.
