

Buried in a Book (Novel Idea Mystery)

After losing her job as a journalist at the age of forty-five, Lila Wilkins accepts an internship at A Novel Idea, a thriving literary agency in North Carolina. Being paid to read seems perfect to Lila, although its difficult with the cast of quirky co-workers and piles of query letters. But when a penniless aspiring author drops dead in the agencies waiting room-and Lila discovers a series of threatening letters-shes determined to find out who wrote him off.
