

The Sunday Philosophy Club: An Isabel Dalhousie Novel

Amateur sleuth Isabel Dalhousie is a philosopher who uses her training to solve unusual mysteries. She edits the Review of Applied Ethics - addressing such questions as Truth telling in sexual relationships - & she also hosts The Sunday Philosophy Club at her house in Edinburgh. Behind the city's Georgian facades its moral compasses are spinning with greed, dishonesty & murderous intent. Instinct tells Isabel that the young man who tumbled to his death in front of her eyes at a concert didn't fall. He was pushed. The Sunday Philosophy Club marks new territory - but familiar moral ground - from the author of The No. 1 Ladies Detective Agency. With Isabel Dalhousie Alexander McCall Smith introduces a new & pneumatic female sleuth to tackle murder, mayhem - & the mysteries of life. As her hero WH Auden maintained, classic detective fiction stems from a desire for an uncorrupted Eden which the detective, as an agent of God, can return to us. But then Isabel, being a philosopher, has a thing or two to say about God as well. Visit the author's website can be found at www.mccallsmith.com
