

## Fabulous: Thoughts on Being a Woman

An uplifting and highly amusing compendium of invaluable advice for the modern woman. Writer and broadcaster Peta Mathias is a woman who has never been afraid to embrace life with all its glorious inconsistencies, joys, and heartbreaks. Here she becomes every woman's confidante, as she shares the wisdom she has learned over years of living outrageously. She is a woman who appreciates the importance of a gorgeous pair of shoes and the perfect shade of lipstick. She knows the value of good friends, great music, lively conversation, beautiful surroundings, and a one-way ticket to an exotic destination. And having loved and lost more than once, Peta also has her own theories on why relationships begin and end. This stellar book includes 10 chapters covering nearly every aspect of a woman's life, including work, love, sex, food, clothes, and aging. Inspirational, razor-witted, and irresistibly funny, *Fabulous* is a must-read for each and every fabulous woman out there.
