

The Classic Mantle

In *The Classic Mantle*, acclaimed sportswriter Buzz Bissinger tells the story of Mickey Mantle's unforgettable career. Mantle has long been considered one of baseball's most memorable figures, playing his entire 18-year baseball career for the New York Yankees (1951-68), winning 3 American League MVP titles, playing in 20 All-Star games, and winning 7 World Series. Today, more than 40 years after his retirement, he still holds 6 World Series records, including most home runs (18). Bissinger goes beyond the statistics to bring Mantle to life, and stunning photographs by Marvin E. Newman make this book a fitting tribute to Mantle's career and his lasting impact on the sport of baseball. Praise for *The Classic Mantle*:

Even if you're a Yankee hater, you can't help but love this book and Mickey Mantle. *The Buffalo News*
