

## Honeymoons Can be Murder: The Sixth Charlie Parker Mystery (Charlie Parker Mysteries)

In this, the sixth book in the Charlie Parker mystery series, female amateur sleuth Charlie Parker and her new husband, Drake Langston, are taking an extended honeymoon at the Taos Ski Valley in northern New Mexico. Drake will operate a heli-skiing service and Charlie plans to kick back, enjoy winter in the mountains, and stay in touch with her Albuquerque office only occasionally. But when Drake's assistant, Eloy Romero, is accused of murder, Charlie steps in to help. Along the way she discovers death and deception in the Catholic church, an heiress who is not all she appears to be, and a stash of priceless stolen religious artifacts. The criminal mastermind behind the scene doesn't plan to let Charlie solve the case, and she finds herself and Drake in mortal danger before it's all over.
