

No Exit from Brooklyn: A Nick Delvecchio Novel

The first installment in Robert J. Randisi's Brooklyn Trilogy. This is the hard-boiled detective story as it ought to be: tough, fast, savvy, with a touch of sentiment, says best-selling author Dean Koontz. In *No Exit from Brooklyn*, private eye Nick Delvecchio is hired by a beautiful young woman to find a priceless objet d'art. When she disappears, Nick's problems have just begun. Nick's family pressures are one thing. But trouble with the Brooklyn mob is more than Nick bargained for. Says John Lutz: Complex and hard-driving, gritty and realistic, this novel will take you to Brooklyn and you won't want to exit until the final sentence. And from *Mystery Scene*: This is Randisi's best book to date--colorful, polished, harrowing.
