

Tales of the Jazz Age - Classic Illustrated Edition

* Beautifully illustrated with paintings by renowned artists and atmospheric images, this intriguing collection of eleven of short stories includes *The Diamond as Big as the Ritz* and *The Curious Case of Benjamin Button*. Fitzgeralds remarkable skill as a story teller and character analyst is evident throughout which makes the tales as enjoyable today as they were over a century ago. * The stories from *Tales of the Jazz Age* were initially run individually in various magazines and the book itself was first published in 1922, just three years before Fitzgeralds most popular work - *The Great Gatsby*. * This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images carefully selected by our team of professional editors.
