

Cruel Intent: A Novel of Suspense

New York Times bestselling author J.A. Jance's *Cruel Intent*, featuring Ali Reynolds, is now available from Encore! Ali Reynolds doesn't necessarily go looking for trouble but that doesn't mean it won't come looking for her. When Ali's contractor's faithless wife is slaughtered in her own front yard, no one is surprised when the cops declare Morgan's betrayed husband to be the prime suspect. Bryan Forester swears he didn't do it, and Ali believes him, but no one else does, including Ali's old friend, Homicide Detective Dave Holman. As Ali attempts to prove Bryan's innocence, she finds herself at odds with Dave while, at the same time, unwittingly attracting the attention of a ruthless serial killer, a man who specializes in a deadly game of cyber hide-and-seek. Now he's here, and Ali Reynolds is next on his list. J.A. Jance knows how to deliver the spine-tingling sleuthing that millions of listeners have come to love and *Cruel Intent* will thrill every one of them.
