

11th Hour (The Womens Murder Club)

Your best friend Lindsay Boxer is pregnant at last! But her work doesn't slow for a second. When millionaire Chaz Smith is mercilessly gunned down, she discovers that the murder weapon is linked to the deaths of four of San Francisco's most untouchable criminals. And it was taken from her own department's evidence locker. Anyone could be the killer—even her closest friends. Or a vicious killer? Lindsay is called next to the most bizarre crime scene she's ever seen: two bodiless heads elaborately displayed in the garden of a world-famous actor. Another head is unearthed in the garden, and Lindsay realizes that the ground could hide hundreds of victims. You won't know until the 11th hour. A reporter launches a series of vicious articles about the cases and Lindsay's personal life is laid bare. But this time she has no one to turn to—especially not Joe. 11TH HOUR is the most shocking, most emotional, and most thrilling Womens Murder Club novel ever.
