

## Paradise Lost (Joanna Brady Mysteries, Book 9)

One late night in the Arizona wilderness, two young girls stumble across something they should not see. Now both will have to pay. The desecrated body of a missing Phoenix heiress lies naked, lifeless, and abandoned in the desolate beauty and lonely terror of the high desert night. A hideous crime is inviting death once more into Sheriff Joanna Bradys world. But this time the nightmares of her professional and personal lives are intertwining in ways too awful to contemplate, because one corpse is only the first piece in a twisted and sinister puzzle in which nothing seems to fit. And the next item on a killers bloody agenda may well be Bradys own beloved daughter.
