A New York Times Bestselling Author Cocktail waitress Sookie Stackhouse has only a few close friends, which isn't surprising - not many people can appreciate Sookie's abilities as a mind reader. When she sees her brother Jason's eyes start to change, Sookie knows he's about to turn into a werewolf for the first time. But her concern for her brother becomes cold fear when a sniper targets the local changeling population - and Jason's new werewolf brethren suspect he may be the shooter.
