

Dead Weight: A Sheriff Bill Gastner Mystery

Crime of Opportunity A well seasoned sixty-nine, Sheriff Bill Gastner knows his Posadas, New Mexico, territory as well as he understands the foibles of the human condition. So when a backhoe crushes a man to death, its more instinct than fact that leaves him feeling theres more to this accident than meets the eye. Adding to his problems, anonymous letters charging his best deputy, Tom Pasquale, with hustling Mexican nationals for cash are being dispatched around town. Gastner takes this one personally; hes fond of his deputy, but he does want the truth. He also knows its an election year and dirty politics can happen anywhere. So can murder. Soon hes got not just one, but two dead bodies. And a strong desire to make sure that when he does retire . . . Its not by way of a well-aimed bullet.
