

Un crime delicat (French Edition)

Le critique de theatre Antonio Martins se retrouve sur le banc des accuses a cause des suites judiciaires de ses rapports suspects avec Ines, une belle jeune femme, modele et cependant boiteuse. Dans la tentative de reconstituer, voire de creer, l'histoire de cette relation, il laisse ouvertes plusieurs possibilites contradictoires d'interpreter les faits. Est-il victime d'un piege elabore par l'artiste plasticien Vitorio Brancatti, protecteur et possible amant d'Ines? Ou, acteur de son propre drame, le critique dissimule-t-il dans les plis de sa syntaxe la verite de l'affaire ? Savant melange de rotisme insolite et de raisonnement autour des arts, ce recit explore de maniere subtile les liens existant entre les arts et la critique comme des voies intriquees et distinctes de faconner la vie.
