

Ghosts of Atlanta:: Phantoms of the Phoenix City (Haunted America)

Do the ghosts of Civil War soldiers still march through the mists of Kennesaw National Battlefield on the outskirts of Atlanta? Can those who listen still hear the voices of the guests who died in the devastating Winecoff Hotel fire of 1946? Does the spirit of a young boy still ride the black horse on the Riverview Carousel at Six Flags Over Georgia? Drawing on her work with the Cold Case Investigative Research Institute at Bauder College and Ghost Hounds Paranormal Research Society, elite psychic medium and cold case researcher Reese Christian writes of the tragic past and the haunted present of Greater Atlanta. From Peachtree Street in the heart of downtown to the plantations and battlefields surrounding the city, join her in discovering the twisted histories of some of Atlanta's most infamous landmarks and forgotten moments.
