

## Wash and Die (Charlotte LaRue Mystery Series, Book 7)

As the saying goes, No good deed goes unpunished. Charlotte LaRue knows she should take a broom and chase Joyce Thibodeaux off her front porch. Once married to Charlottes tenant Louis Thibodeaux, Joyce is fresh out of detox and has no place to go. She pulls on Charlottes heartstrings. . .and soon shes staying in Charlottes guest room. Charlotte survived Hurricane Katrina, but Joyce proves to be an ill wind of a different kind. Charlotte knows she has to show Joyce the door, but she never gets the chance. Instead her beloved parakeet Sweety Boy vanishes, her living room gets trashed, and Joyce ends up in the middle of the mess. . .stone cold dead. Now Charlotte is on the list of murder suspects along with Louis, whos been out of town on business. . .or has he? Finding the answers means doing a little snooping herself. Grabbing her mop shes starting with the hospital where Joyce last stayed: a place with skeletons in its closets and a bucket full of clues that just might lead to a killer. . .
