

Elvis and The Dearly Departed (Southern Cousins Mysteries)

They say you cant get to Heaven without passing through the Eternal Rest Funeral Home. And no one gets into Eternal Rest without passing muster with Elvis--the basset hound whos convinced hes the reincarnation of the King of Rock n Roll. Brewing up a big ol pitcher of Mississippi mystery, Peggy Webbs delightful new series is as intoxicating as the Delta breeze. Normally, Callie Valentine Jones spends her days fixing up the hairdos of the dead, but when the corpse of local, prominent physician Dr. Leonard Laton goes missing, its bad for business. So Callie and her cousin Lovie (Eternal Rests resident wake caterer) have no choice but to go in hot pursuit of the recently embalmed, last seen bound for Vegas by way of downtown Tupelo. In Vegas, Callie and Lovie hit the jackpot when they find the dearly departed inside a freezer owned by his showgirl mistress, Bubble Malone. But their luck runs out when Bubble decides to join her man in the afterlife. With the poisonous Laton family tree providing plenty of rotten suspects, Callie, along with some help from her basset hound, Elvis, is determined to crack this case--and have a killer singing Jailhouse Rock in time for her next haircutting appointment. . .Pure southern lunacy of the best possible kind. --Laurien Berenson
