

Everything About Me Is Fake . . . And Im Perfect

In *Everything About Me Is Fake and Im Perfect*, the hilarious and candid follow-up to the national bestseller *No Lifeguard on Duty*, Janice Dickinson tackles our society's unattainable standards of beauty and reveals the secrets behind her own lifelong struggle to achieve perfection -- from her bra-stuffing days as a flat-chested teenager through her career as the world's first supermodel to her ultimate comeback as a bestselling author and television star on the top-rated reality television hit *America's Next Top Model*.

most men don't seem to care about my age either. Once you hit the supermodel level, your numerical time spent on Earth doesn't matter to men. Even as she graced the glossy pages of *Vogue* and *Cosmo*, Janice had to struggle to keep up the image of brazen self-confidence and bravado that became her trademark. Behind every smile and pose was a sea of self-doubt and insecurities. Now, after years of experience as a supermodel -- being stitched into clothing, starving herself, and undergoing cosmetic surgery -- Janice debunks the beauty myths and breaks down what's real and what's not. Drawing on her vast knowledge of fashion, beauty care, and fitness, Janice offers no-nonsense advice and tips on how to look and feel your best on your own terms.

you see on the magazine pages starve themselves for weeks on end, smoke up a storm, and scarf down enough diuretics to blast out the Pacific Ocean. No one tells a story like the world's first supermodel, and Janice's eagerly awaited follow-up is filled with outrageous anecdotes from her personal life, including how she stole Donald Trump's heart after jacking his limo, her steamy date with JFK Jr., and the wonders and pitfalls of going under the knife. In a fabulous fashion that only Janice can deliver, she tells all about her bumpy and unpredictable road to a healthy self-image and pulls back the curtain on the

modeling industry, as well as her own life, proving why, as Janice explains: Everything about me is fake . . . and Im perfect. I think its best to treat most men like theyre pets. Treat em mean and youll keep em keen.
