

Ozzy Knows Best: The Amazing Story of Ozzy Osbourne, from Heavy Metal Madness to Father of the Year on MTV's The Osbournes

Always outrageous but equally compelling, its THE book to have on Ozzy, MTV's The Osbournes, and everything in between. Meet the Osbournes: children Kelly and Jack, mother Sharon, and the father, none other than Godfather of Metal Ozzy Osbourne. Starring in MTV's most popular show ever, the Osbournes have proven that the family of a heavy metal superstar can teach America what parenting is all about with their new twist on family values. So what made Ozzy into such a great father? Experience. You name it, he's done it. He's bitten the heads off doves and bats, urinated on the Alamo (while wearing a woman's dress!), and been addicted to drink and drugs. With his first band, Black Sabbath, he practically invented heavy metal. As a solo performer, he's sold millions of albums, and helped turn the annual Ozzfest tour into one of the biggest events in music. Learn how Ozzy went from being banned at the Alamo to a guest at the White House, from bats to Beverly Hills. It's all in here, with plenty of trivia-like why oldest daughter, Aimee, didn't want to be a part of series- and all the parenting tips any father needs to be as good a dad as Ozzy.
