

## Degrees of Separation (Falcons Bend Series, Book 1)

Who is killing the midnight ladies? Falcons Bend is a small, sleepy town in Wisconsin that owns more taverns than churches, but fills both on the appropriate days. Teenagers talk of escape from a one-horse town like Falcons Bend because nothing ever seems to happen...until one fateful night when a dancer from the town's scandalous strip joint is found strangled. It soon becomes clear to Investigators Pete Shasta and Danny Vincent that the close-knit family at the nightclub is a bizarre breeding-ground for unbalanced feelings and obsessions. Pete and Danny race to peel away layers of bitterness before another girl falls victim to the dance of death.
