

Firefly: A Novel of Suspense

Someone is burning Baltimore. At night, sirens shriek as the night sky blazes. There's a madman on the loose, and it's not just about the fire--he's getting pretty fond of killing, too. Amidst the media frenzy, he emerges with the nickname Firefly. Dr. McKayla MacDonald doesn't want her city turned into ashes. As a successful psychiatrist and counselor for the Baltimore County Fire Department, McKayla agrees to help the police with the investigation, but is oblivious to the danger she's in. Using her extensive knowledge of the human psyche, the good doctor sets out on a trail to the arsonist. As the city burns, Firefly comes closer. Is he crazy enough to show up on McKayla's doorstep with fire in hand? The case must be solved before her family becomes his target. Firefly is a riveting and intriguing novel that is aglow with sparks, suspense and mystery. Cornelson is an accomplished and gifted writer who keeps the reader captivated from the very first page to the last. I couldn't turn the pages fast enough! --Shirley Erickson, B.S., M.S., Sixth-Year Certificate in Reading Education
