

From This Day Forward

When Cokie and Steve Roberts got married, some friends said it wouldn't last because she's Catholic and he's Jewish. In this book, Cokie and Steve discuss issues of their own marriage frankly, examining the idea of marriage through the lens of their own relationship. From the early days of courtship, the minefield of an inter-faith wedding, newlywed adjustments, and the demands of careers and family, Cokie and Steve give listeners a rare glimpse into the private lives of two very public people.
