

## Wardaddy: A Man at War with Himself and His Family

Wardaddy is a sensitive expression from the son of a paranoid schizophrenic father who was at war within himself and his family. A man at war with himself and his family. Wardaddy follows a thirteen year ordeal of love, pain, triumph, and loss from the perspective of the family members most closely involved. It is a harrowing yet uplifting exploration of the human emotions. Wardaddy is based on a true story about a man who became paranoid schizophrenic from the stresses of life, family, and society. Wardaddy is a truly inspiring look at a family's trying relationship with a father who was at war with himself and his family. War within one's mind is a struggle against oneself and one's society. A highly recommended investment of your reading time. A Must Read Book.
