

## ROMANCE : SPORTS ROMANCE: Rockstar (Bad Boy Football Romance Book 1) (New Adult Contemporary Romance Short Stories)

A STANDALONE BAD BOY SPORTS ROMANCE! She was never one to take a chance until he came into her life. Samantha Maxwell Samantha Maxwell is not much for socializing and has never been known as the party kind of girl. Her main focus is her studies and then her professor requests that she go outside her comfort zone. Being a journalism major made her very aware that she was going to have to be in the public eye. Samantha was mostly going through the motions, but then an interview with a cocky football player named Judson takes her life in a totally different direction. She's an introvert, but she was about to be pulled into a life of degradation and opulence. Being an only child, made her shrink into herself, but that was about to change. Judson Nielsen Judson Nielsen is a cock sure football player that has the world in the palm of his hands. He knows that he is every woman's dream come true. He can snap his finger and any woman that he sets his sights on will come crawling on their hands and knees for more. What he doesn't suspect is that his way has gotten underneath the skin of somebody that wants to teach him a lesson. Judson doesn't really believe that there is anything to worry about. He likes the attention. Any publicity is good publicity. He meets an up and coming journalism student named Samantha. He tries to use the same seduction techniques that have worked in the past only to be rebuffed. His callous ways and treating women like sexual objects is about to come back and haunt him, while at the same time drawing an innocent victim like Samantha into his world.
