

Dying for Chocolate (Culinary Mysteries)

Meet Goldy Bear, a caterer with more than just the dirty dishes to worry about! She's bright, opinionated and wildly inventive cook with a personal life that is a recipe for disaster. Threats from her abusive ex-husband and mounting bills force Goldy to take control of her life - so she accepts a job as a live-in-chef looking after the cream of Aspen Meadows society. But as it starts to look as though things are on the up for Goldy, her boyfriend Philip is killed in a car crash. Traumatized by witnessing the fatal accident, Goldy is shocked even further when she is attacked by an unknown assailant. Why is she being threatened? What is the mystery surrounding Philip's death? Aspen Meadows favourite caterer investigates as she works - sharing both her findings and her recipes. If you've got an appetite for mystery you'll love this bestselling US series. A gripping plot is combined with eleven original and delicious recipes - Dying for Chocolate is the perfect blend of sumptuous fare and first class suspense.
