Click here for a Letter from Jennifer Lee Carrell. Kate Stanley returns in this thrilling follow-up to the New York Times bestselling *Interred with Their Bones*. Jennifer Lee Carrell's fiction debut, *Interred with Their Bones*, was greeted by both fantastic reviews and stellar sales. Already a bestseller in the U.K., *Haunt Me Still* marks the much-anticipated return of Kate Stanley, Shakespearean scholar and theater director. This time, Kate becomes embroiled in a murder surrounding *Macbeth*, the Bards famously cursed play. As Kate and company begin rehearsals at the foot of Scotland's Dunsinnan Hill, she discovers a local woman dead in circumstances that suggest ancient pagan sacrifice. Marked as both suspect and future victim, Kate undertakes a desperate race to find a dangerous, alternate version of *Macbeth*-reputed to be Shakespeare's darkest secret.
