

Espresso Shot (Wheeler Cozy Mystery)

As manager of the bustling New York coffeehouse The Village Blend, Clare Cosi doesn't get steamed about much. Then she's hired to create a gourmet coffee and dessert bar for a wedding to be held at the Metropolitan Museum of Art. This is Clare's chance to shine -- but the groom is her ex-husband and current business partner. Putting misgivings aside, Clare focuses on business . . . until fatal accidents begin to befall people close to the bride-to-be.
