

Dig Ten Graves

Heath Lowrance follows up his classic debut, *THE BASTARD HAND*, with a searing collection of hard-boiled, dark fiction. The blackest of noir permeates the pages of *DIG TEN GRAVES* and oozes into its dark alleyways, its blood stained streets and its rain soaked gutters - even the crevices on the faces of its battle scarred and booze battered protagonists. - Paul D Brazill, *Drunk On The Moon*, *Guns Of Brixton*, *13 Shots Of Noir*.
